## TOWN WARRANT.

---

THE STATE OF NEW HAMPSHIRE.

[L. S.]

*To the inhabitants of the town of Salem, in the County of Rockingham, in said State, qualified to vote in town affairs:*

You are hereby notified to meet at the Town House in said town, on Tuesday, the thirteenth day of March next, at six thirty (6:30) of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary town officers for the ensuing year.

ARTICLE 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

ARTICLE 3. To see if the town will vote to raise any more money for the repairs of highways than the law requires.

ARTICLE 4. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.

ARTICLE 5. To see if the town will vote to authorize the town treasurer to hire, with the approval of the selectmen, such sums of money as may be needed for general purposes in anticipation of taxes.

ARTICLE 6. To see what action the town will take relative to lighting the streets and raise money for the same.

ARTICLE 7. To see if the town will vote to raise a sum of money not to exceed eighteen hundred dollars (\$1,800) for the purpose of providing police officers for the ensuing year.

ARTICLE 8. To see if the town will vote to raise the sum of fifteen hundred dollars (\$1,500), or any part thereof, for the removal of snow from the highways.

ARTICLE 9. By request of secretary of state. To see whether beer or other lawful alcoholic beverages shall be

manufactured or sold locally as permitted under this act. Laws of 1933, Chapter 99, Section 22.

ARTICLE 10. By request of State Boxing Commission. To see if the town will vote to adopt the provisions of an act passed at the 1929 session of the General Court for said state, relating to athletic exhibitions, and to take any other action relating thereto.

ARTICLE 11. By request of library trustees. To see if the town will vote to raise the sum of six hundred dollars (\$600), or any part thereof, above the amount required by law, for the support of the Salem Free Public Library for the year 1934.

ARTICLE 12. By request of Chester T. Woodbury. To see if the town will vote to raise the sum of one hundred dollars (\$100), or any part thereof, to maintain and improve the town common and the public square near Pine Grove Cemetery.

ARTICLE 13. By request of C. T. Woodbury. To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to issue serial notes or bonds not exceeding fifty thousand dollars (\$50,000) for the purpose of refunding an equal amount of floating debt covered by outstanding bonds or notes.

ARTICLE 14. By request of Ernest W. Young Post. To see if the town will vote to raise the sum of two hundred and fifty dollars (\$250), or any part thereof, for the use of Ernest W. Young Post No. 63, American Legion, to be expended in the observance of Memorial Day in the year 1934.

ARTICLE 15. By request of Fire Department. To see if the town will vote to raise the sum of six thousand dollars (\$6,000) to purchase another piece of fire apparatus.

ARTICLE 16. By request of L. J. Dyson and others. To see if the town will vote to extend the water from Kelley's Crossing down Broadway to the state line, and raise money for the same.

ARTICLE 17. By request of Water Department. To see if the town will vote to raise the sum of twelve hundred dollars (\$1,200) to extend the water main on Howard Street from hydrant in front of Walter Smith's house to 12-inch main that supplies water tower, 600 feet.

ARTICLE 18. By request of S. Donigan and others. To see if the town will vote to extend the water main from the residence of Mr. Noyes to Mr. Donigan's home, and raise money for the same.

ARTICLE 19. By request of Peter H. Azarian. To see if the town will vote to complete the repair of the unfinished portion of Cross Street, a distance of three-fifths of a mile, preferably by extending the state aid road from where it now ends, and raise money for the same.

ARTICLE 20. By request of Henry Pendergast and others. To see if the town will vote to repair the highway leading from Cluff's Crossing to Foster's Corner, and raise the sum of five hundred dollars (\$500), or any part thereof, for the same.

ARTICLE 21. By request of S. Donigan and others. To see if the town will vote to raise some money to continue the state aid on the Pelham Road as far as possible.

ARTICLE 22. By request of Harry Appelhans and others. To see if the town will vote to raise the sum of five thousand dollars (\$5,000), or any part thereof, for permanent road construction, to be divided equally between the three road districts.

ARTICLE 23. By request of Walter Stickney and others. To see if the town will vote to accept state aid on the road from Cow Bell Corner to the Atkinson town line, and raise the sum of twenty-four hundred dollars (\$2,400), or any part thereof, for the same.

ARTICLE 24. By request of Thomas Sharpe, Jr. To see if the town will vote to macadamize Laurence Road commencing at Hampshire Roads and continuing past No. 9 School, and raise money for the same.

ARTICLE 25. By request of Arthur Dyke and others. To see if the town will vote to continue tar and gravel road from the residence of Arthur Dyke on the Laurence Road to the residence of Peter Tusen, or any part thereof, and appropriate three thousand dollars (\$3,000) for the same.

ARTICLE 26. By request of Arthur L. Cullen. To see if the town will vote to repair the road with gravel and tarvia commencing at the corner near the residence of Albert E. Searle and continuing to Reed's Corner, and raise money for the same.

ARTICLE 27. By request of library trustees. To see if the town will vote to raise the sum of one hundred and fifty dollars (\$150) to repair the roof of the Salem Free Public Library.

ARTICLE 28. By request of Water Department. To see if the town will vote to rescind all previous votes on question of time allowance for payment of water bills, and accept the following recommendations:

a. All water bills to be payable upon presentations.

b. Delinquent accounts to be left to the discretion of the Board of Water Commissioners acting under the requirements of the Public Laws of New Hampshire.

ARTICLE 29. By request of Water Department. To see if the town will vote to raise the sum of five thousand dollars (\$5,000), or any part thereof, for a working capital.

ARTICLE 30. By request of James H. Cullen. To see if the town will vote to accept from James H. Cullen the sum of one hundred dollars (\$100) as a perpetual fund, the interest to be expended in the care of the James H. Cullen lot in Pine Grove Cemetery.

ARTICLE 31. By request of A. G. Whidden. To see if the town will vote to accept from A. G. Whidden the sum of fifty dollars (\$50) as a perpetual fund, the interest to be expended in the care of the Whidden lot in Pine Grove Cemetery.

Given under our hands and seal this twenty-third day of

February in the year of our Lord, nineteen hundred and thirty-four.

ARTHUR H. ABBOTT,  
CHARLES A. KIMBALL,  
WILLIAM BARRON,  
*Selectmen of Salem.*

## ACTIVITIES, 1933-34.

Six new services were added to the system, making 543 services. There have been 22 meters in operation this year.

Replaced two hydrants; added three new. Twenty services have been renewed with copper from main to curb boxes.

Wooden pipe on Point A Road has been removed and 6-inch iron laid in place thereof at an expense of \$3,550, CWA furnishing cash and material to amount of \$1,466.35.

An extension has been started on McLaughlin Avenue, CWA, to date, having furnished \$294 for this project.

Pumping record: 1932—86,113,000 gallons, which is 147 gallons per capita for water district. 1933—103,321,000 gallons, which is 157 gallons per capita for water district. 1933 excess over 1932—17,208,000 gallons, and shows the increase per capita.

## REPORT OF PUBLIC LIBRARY TRUSTEES.

The forty-first report of the trustees of the Salem Public Library is herewith submitted:

The library has been well patronized during the current year by both adults and school children.

A new cataloguing system has been started which it is expected, when complete, will be a great help to both the librarian and patrons of the library, in the listing and locating of books. With this double card system listing will be by subject, title and author.

## REPORT OF THE SALEM FIRE DEPARTMENT.

---

During the year 1933 the department has answered 51 bell alarms and 8 still alarms. The fire loss for the year was \$11,000.

The new air-presser whistle is working very well, and the operating charges have greatly diminished.

All equipment is in good condition, but the fire truck needs overhauling. The truck has been in service for nine years, and some thought should be given about a new piece of apparatus. The Scollay fire at the depot demonstrated this need. At the time the truck was at Hampshire Roads fighting a fire, the shop of Mr. Scolley caught fire. Only the fortunate arrival of outside help saved this congested area from a serious blaze. With another truck this serious danger could be eliminated.

ROBERT V. EBERT,  
*Chief.*

## SCHOOL WARRANT.

---

### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School district in the town of Salem,  
qualified to vote in district affairs:*

You are hereby notified to meet at the Woodbury High School in said district on the seventeenth day of March, 1934, at 1:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and truant officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
9. To see if the school district will vote to install new boilers or repair the Smith boiler already in Woodbury High School; make any other necessary repairs of heating system as recommended by consulting engineers, and install direct heating in classrooms, and raise money for the same.

Given under our hands at said Salem this 19th day of  
February, 1934.

CLARENCE W. MERRILL,  
HOWARD C. SMITH,  
WILLIAM A. HOFFMAN,

WILLIAM A. HOFFMAN,  
*School Board.*

SALEM, N. H., February 16, 1934.

## REPORT OF SCHOOL BOARD.

We are pleased to present this report showing the condition of the schools, what we have accomplished this year, and what will be needed in the near future.

Woodbury High School. The copper louvres which were voted at the last School Meeting have been installed and a large portion of the roof has been reflashed with copper. All east walls of the building have been treated with two coats of water-proofing material, which has

eliminated a number of bad leaks in the wall. The corridors on the east and west ends of the building have been redecorated this past winter. Also rooms 1 and 5 have been completely redecorated, and rooms 4 and 9 partly done.

The heating system has caused considerable trouble. About the first of December something went wrong with the system, which caused seven sections of the boiler to crack. We have had the boiler repaired for the time being, but it will not be permanent.

Rooms 4 and 9 have not been heated satisfactorily for some time. At Christmas vacation we had a radiator installed in each room, and now these rooms are the first to heat.

No. 1 Schoolhouse is in good condition at present.

No. 3 Schoolhouse was closed last September and the pupils are being transported to North Salem Village. The arrangement has proved to be satisfactory. Last September there were five or six children at No. 3 and about ten or twelve at No. 4. The State Board of Education recommended closing No. 3, as they do not pay state aid on a school with less than ten children.

No. 4 Schoolhouse had a steel ceiling installed, as voted at the 1933 School Meeting. This school is in good condition at present.

No. 5 Schoolhouse did not have any special work done this year, but this school needs painting on the outside.

No. 6 Schoolhouse is in good condition. The west-end porch was rebuilt, and some grade was put in the school yard. We are hoping to grade the playground in the near future. This school has two Cadet teachers from Plymouth, who are helping to relieve the crowded condition.

No. 7 Schoolhouse was found to be leaking badly last summer, so the Board had the roof shingled with Birds' thick-butt shingles. The ceiling, which had settled six inches in the rear of the classroom, was jacked up and iron turn-buckles installed in the attic. The inside of the building was repaired and painted two coats. Portable desks

were installed. If painted outside, this building would now be in good condition.

No. 8 Schoolhouse is in good condition at present. Last year three new windows were installed and all others repaired. Lighting condition in toilets was remedied. This is the only two-room school in town without electric lights.

No. 9 Schoolhouse is in fine condition. We have had an automatic electric pump installed in pump pit, and think it will eliminate water trouble.

The Board has tried to keep the schools in as good condition as possible. The heating system at the High School presents the real problem. Something will have to be done this summer to remedy the condition. At this time we have not received recommendations from the engineers who are working on the problem, but will have them at the School Meeting.

The School Board wishes to thank all who have in any way helped the Board to live within its budget and we hope to end the year with a balance.

Respectfully submitted,

CLARENCE W. MERRILL,  
HOWARD C. SMITH,  
WILLIAM A. HOFFMAN,

*School Board.*

## REPORT OF THE SUPERINTENDENT OF SCHOOLS.

### *To the School Board and Citizens of Salem:*

It is with pleasure that I submit my seventh annual report as superintendent of the Salem Schools.

Following will be found interesting and encouraging reports which are given by the Headmaster of the Woodbury High School, the Supervisor of Music, and the School Nurse.

This Union, of which Salem is a member, is comprised of the school districts of Salem, Hampstead, Atkinson, Plaistow, and Newton, which is arranged by the State Board of Education acting under the school law of 1919, by which the entire state, exclusive of cities, was divided into Unions

for supervisory purposes. By this law the School Boards of the districts comprising a Union form a joint board which meets annually and nominates a Superintendent of Schools, who is elected by the State Board.

The enrollment of pupils in all our schools during the year ending June 30, was 694, which represents a decrease of 4 from the previous year. The attendance averaged 95.77% of the membership. The average for the state for this period was 95.13%.

No changes have occurred in the teaching staff since my last report. The retention of experienced teachers for a period of years is a valuable asset to efficient schools and a source of educational economy not to be overlooked.

The excellence of the work of our teachers is confirmed by the results of our Standard Tests given this year. That there may be a uniform rate of progress along a definite course, the State Program of Studies has been carefully followed. By a chart of this kind we are assured of no duplication of effort and of a similar method of instruction between teachers as pupils pass from grade to grade.

Fifty-seven pupils completed the work of the 8th grade and, with but few exceptions, entered the Senior High School. The High School has come to be an essential part of the common school system. A high school education is practically a requisite for intelligent understanding and successful participation in the social, economic, and national life of the world today.

The medal given by the Sons of the American Revolution for good citizenship was awarded to Helen Lois Woodbury. The Salem Board of Trade Medals, awarded for excellence in scholarship in the 8th grade, were awarded as follows:

Gold Medal—Leighton A. Nutting.

Silver Medal—Richard P. Smith.

Bronze Medal—William Croft.

During the last ten weeks of last year and again this year, one-half pint of milk has been furnished to children in need of milk. This milk has been paid for by the state from funds furnished by the Federal Government. The children

receiving this milk have shown improvement in health. Seventy-nine children are now receiving this milk.

We greatly appreciate the generosity of the Lions Club, Woman's Club, and other organizations who contributed milk, shoes, and clothing to the children in need of the same.

The fact that there were 879 visits to schools in town by parents and other citizens last year seems to indicate an increased interest in the schools on the part of the public. An active interest on the part of parents is a stimulus to teacher and pupils. One of the most helpful things a parent can do is to visit school and talk over any school problem with the teacher. When this is done in the right spirit, only good can result.

November 6-12 was observed as American Education Week in our schools. An invitation was extended to all parents to visit schools during that week. The registers show that many parents availed themselves of this opportunity. The visits not only made it possible for the parents to find out what their children were accomplishing in the classroom, but also to see how our schools are conducted today.

The closing of No. 3 School and the transportation of the small number of pupils to No. 4 School has been an advance educationally. The transportation has been satisfactory and the children are having the advantage of being in a larger school.

There is great need for a dental clinic. I hope that it will be possible to arrange to hold one this spring. By means of a clinic the cost of dental care would be greatly reduced. Also it would be possible to give assistance to a number of children who would otherwise be obliged to neglect the care of their teeth.

The school buildings at the present time are in very good condition, with the exception of the toilets at No. 7, No. 5, and No. 4. The installing of chemical toilets would greatly improve these schools.

The following table shows the trend of average Senior High School membership, per pupil cost of instruction, and average per pupil cost of instruction in New Hampshire.

<i>School Year</i>	<i>1928-29</i>	<i>1929-30</i>	<i>1930-31</i>	<i>1931-32</i>	<i>1932-33</i>
Average membership in Woodbury Senior High School,	134.2	133.4	141.5	148.9	162.3
Per pupil cost in Woodbury High School for instruction only,	\$80.44	\$82.53	\$81.25	\$81.28	\$69.81
State average for instruction per pupil in all public high schools,	\$106.98	\$103.58	\$98.93	\$89.79	\$78.26

The appended report of Headmaster Wright gives specific information about the High School. The general spirit of the school is excellent. The school is gaining not merely in numbers but in quality of scholarship. The pupils are responsive; the school spirit was never so strong and helpful.

The courses of study offered at Woodbury High compare favorably with those given at other schools of similar size at present. However, we are looking forward to the development of new courses for those that will neither enter college nor the skilled trades. Secondary schools will in the near future build new curricula directly out of a variety of practical life activities—homemaking, personal service, artistic expression, agriculture, industry, etc.

I wish particularly to call attention to the report of your school nurse. Circumstances of the present have rendered her in many ways a community nurse as well as a school nurse. She has been efficient in securing means and coordinating the efforts of local and outside agencies for community aid.

The work of the teachers and school administration is not made less by a business depression. On the contrary, it is increased. In most places there are more children rather than fewer, to be cared for in the public schools. They present by reason of the depression more serious problems of adjustment and education. The need for the service which the school can render is greater than ever.

The emphasis of present-day education should be on preparing pupils for successful and happy careers by stressing

fundamental character traits, such as carefullness, coöperativeness, willingness to work, loyalty, honesty, and open-mindedness. The teacher must be an inspirer as well as a drill master.

The American public school will carry on because it possesses that which business, banking concerns, industrial concerns, and even governments have long sought after—namely the confidence of the public. In addition to this it possesses the faith of innumerable parents who believe that through education their children may be led into fields of greater opportunities and greater service to humanity.

In conclusion I wish to thank the School Board, teachers, and citizens for their support and coöperation.

Respectfully submitted,

WILLIAM J. NELSON,

*Superintendent of Schools.*

## REPORT OF THE HEADMASTER.

### *To the Superintendent of Schools:*

It is with pleasure that I submit my second annual report on matters pertinent to the Woodbury High School.

In June, 1934, the ninth class will be graduated. Including 33, who, it is reasonable to assume, will be graduated at that time, 214 boys and girls will have received diplomas from this high school. The number of graduates by classes is as follows:

<i>Year</i>	<i>Boys</i>	<i>Girls</i>	<i>Total</i>
1926	6	4	10
1927	3	10	13
1928	9	8	17
1929	14	20	34
1930	18	15	33
1931	7	17	24
1932	9	12	21
1933	13	16	29
	<hr/>	<hr/>	<hr/>
	79	102	181

### THE CLASS OF 1933.

The eighth class to be graduated from Woodbury High School numbered 29. Of these, 5 are working in the Law-

rence Mills, 2 of whom are taking an evening course at Lowell Textile Institute.

2 are training in the Massachusetts General Hospital.

3 are going to a commercial school.

1 is learning to be a hairdresser.

2 are taking a correspondence course at home.

1 entered Simmons College.

1 entered the Bentley School of Accounting.

2 entered the University of New Hampshire.

2 are married.

6 are at home.

1 in the poultry business.

1 is a store clerk.

1 in the Stearns School.

1 is a telephone operator.

Reports from institutions attended by our recent graduates show that good work is being done by our boys and girls there. No member of the class of 1933 failed any course the first half-year in the college attended.

#### ENROLLMENT.

The total number of pupils registered this year is 266, as compared to 253 last year and 248 the year before. This increase necessitated the purchase of 20 additional movable desks. Our classrooms, designed to seat 35 comfortably, are caring for as many as 51 pupils. This situation is characteristic of high schools the country over, and there is no reason to believe that it will be relieved if and when normal times return. As you know, there is a strong movement on foot to raise the compulsory school age to 18 years from our present level of 16 years. N.I.R.A. Codes approved to date forbid the employment of children under 16 years of age. Hence it would appear that the present crowded condition will be permanent.

Following is the total enrollment, number of discharges, and present (February 1) enrollment by classes:

	<i>Total Enrollment</i>	<i>Discharges</i>	<i>February 1 Enrollment</i>
Grade 7,	48	2	46
“ 8,	39	0	39
“ 9,	55	4	51
“ 10,	49	6	43
“ 11,	41	6	35
“ 12,	32	0	32
Post-Graduate,	2	0	2
	<hr/> 266	<hr/> 18	<hr/> 248

Of the 18 who have left school, 7 moved out of town, 5 found employment of some kind, 4 lacked the necessary ambition to continue and 2 were forced to withdraw because of conditions beyond the pupil's control.

There are 18 tuition pupils enrolled this year; one less than last year. Two of these come from Atkinson, one from Derry and 15 from Windham.

#### THE TEACHING STAFF.

There were no changes in the staff this year. Teachers of experience and continuous service within a school come to be increasingly valuable as time goes on. Three of our teachers (Miss Guild, Mrs. Smith and Miss Buckley) attended Boston University summer school. This surely is evidence that our teachers are anxious to keep abreast with educational trends.

#### GUIDANCE.

The Orientation Day held last June was a decided success. The *Manchester Union* saw fit to make editorial comment to the effect that more schools should follow Woodbury's example.

It is planned to follow the same program next June. The coöperation of all who made this program a success is hereby gratefully acknowledged.

A distinct effort is made to guide pupils' selection of courses in such a way that the individual pupils' needs will

be met as adequately as our program of studies will allow.

Report cards, warnings and personal letters are sent to parents at regular intervals.

I wish that parents were required to visit school at least once each year. They entrust their most precious worldly possession to the care of the teachers for nearly a third of a child's life; they spend thousands of dollars that their children may be trained for future adulthood; and yet they rely upon report cards, school dramatics, athletics, hearsay, etc., to form their opinions upon the effectiveness of the school's work. A most cordial welcome awaits any citizen who wishes to visit Woodbury High School. The staff is willing and eager at all times to talk with anyone interested in the pupils' welfare. Telephone calls and letters are of some value, but nothing can replace the personal visit.

#### EXTRA-CURRICULAR ACTIVITIES.

**Assemblies:** The various groups in school prepare and present an assembly program each Friday afternoon. It is our purpose to provide an opportunity for every pupil to participate in these programs. A plan is being formulated at the present time whereby high schools near Salem will be invited to exchange assembly programs with Woodbury. This should tend to stimulate interest in this phase of our school life and foster even more friendly relations between the schools participating.

The ten minutes between 8:15 and 8:25 A.M. is utilized every morning by opening exercises in each home-room. The home-room teachers see to it that each pupil has charge of the opening exercises at least once a year.

#### DRAMATICS AND CLASS FUNCTIONS.

A musical comedy, "Circus Solly," was presented early in the fall by the Athletic Association.

The operetta "Tulip Time" was staged by the juniors and seniors, December 8, and repeated January 10. It was well done and well supported. The football squad will present a minstrel show February 8. The senior play, dramatic

contest and junior promenade will take place later in the school year.

The school is very grateful for the support given its dramatic productions by the townspeople.

Occasional dancing parties, to which only students and alumni are invited, are held during the school year. These parties are chaperoned by the various members of the high school staff.

*The Ray* is being published by the senior English class as it was last year. Any profit realized is used by the seniors to help defray their Commencement expenses.

In order that a clear understanding of the financial phase of our athletics may be had, I am herein submitting a statement of the football season, and the basketball and baseball seasons of last year:

Loss on basketball in 1933,	\$10.38
Loss on baseball in 1933,	45.05
Loss on football in 1933,	120.34
	<hr/>
Total loss on three sports,	\$175.77

This deficit is met by the sale of candy, tonic and ice cream and by the profits realized from dramatic productions.

I wish it were possible to divert the proceeds from the senior play and the dramatic contest to the class treasuries in order that each senior class might be able to take an educational trip of real value during the spring recess each year. A small yearly appropriation at the annual school District Meeting would make this possible. On a basis of an assessed valuation of \$3,000,000, an appropriation of \$200 for athletics would mean but \$.06 $\frac{2}{3}$  per thousand dollars on a tax bill.

The athletic teams of the past year have been unusually successful both in maintaining healthy, friendly relations with other schools and in winning a major portion of their games.

We are indebted to Mr. William Smith for the use of his

field upon which to play football, and to Mr. Francis Higgins, Sr., for his efforts in collecting funds for new goal posts.

A sum of \$71.83 was realized from the Woodbury-Methuen Alumni football game Thanksgiving Day; \$45.46 of this money was used at Christmas to purchase shoes, rubbers, underwear, blankets and cloth for needy families. A balance of \$25.37 remains on hand and this will be spent in a similar way.

#### CONCLUSION.

I am very grateful for the coöperation and support that has been given me by yourself, the teachers, pupils and the people of Salem. Without that, the work of the past year would have been impossible. May I say again as I did in my last report: "I anticipate the future as a period of happy relationships and constructive accomplishments."

Respectfully submitted,

MURRAY J. WRIGHT,

*Headmaster.*

February 1, 1934.

#### REPORT OF SUPERVISOR OF MUSIC.

##### *To the Superintendent of Schools:*

I have the honor to submit my annual report as Supervisor of Music in the Salem schools. In looking back upon the year's work I find in every case coöperation and pleasant classroom associations.

During the past year music education in our schools has shown advancement which has been most gratifying. In the primary grades a repertoire of beautiful songs induces a love of music, and develops a good singing tone. Note reading is introduced in the second grade. In the intermediate grades a true sense of harmony is developed through two- and three-part singing. In the Junior High School, still richer harmony is experienced through four-part singing, which is done a cappella. The Senior High School chorus is divided into two groups, freshmen and sophomores working together and juniors and seniors.

"Tulip Time," an operetta in two acts written by Geoffrey F. Morgan and Frederick G. Johnson, was presented at Woodbury High School, December 8, by the juniors and seniors. The operetta was repeated January 10; it was well received and a success financially; the proceeds were given to the Athletic Association. The High School orchestra played at both performances. The orchestra has appeared many times, and recently joined the New Hampshire Federation of Music Clubs.

For the coöperation afforded me in my work, I extend my thanks to you and the teachers.

Respectfully submitted,

EVA W. THOMPSON,  
*Supervisor of Music.*

## REPORT OF SCHOOL NURSE.

### *To the Superintendent of Schools:*

I herewith submit my annual report for the year 1932-1933. I wish to thank the members of the Salem Lion's Club for their assistance in helping needy children in our schools, and for the milk which was provided underweight children. I wish to thank the school teachers, Superintendent, and members of the School Board for their coöperation in the work.

The report follows:

Number of pupils examined,	548
Number of pupils absent,	26
Number of pupils excluded,	29
Number of pupils underweight,	69
Number of defects corrected since last year,	58
Defective vision,	26
Receiving treatment,	22
Vision corrected since last year,	17
Defective hearing,	18
Receiving treatment,	1
Defective teeth,	232
Corrected since last year,	234

Diseased tonsils,	73
Corrected since last year,	13
Defective breathing,	17
Corrected since last year,	13
Enlarged glands,	31
Improved since last year,	10
Report of contagious diseases:	
Scarlet fever,	4
Whooping cough,	5
Skin diseases,	22
Number vaccinated,	569
Not vaccinated,	5
Excused by Board of Health,	1
Other work accomplished:	
Number of visits to schools,	560
Tuberculosis clinic held; number attended,	50
Number of visits to homes,	255
Number of children accompanied to eye specialist,	12
Provided with glasses,	7
Paid for by local funds,	4
Number of children accompanied to tonsil clinic,	
Manchester,	6
Number of children operated on for tonsils, adenoids,	4
Number of children accompanied to dentist,	16
Number of children accompanied to doctor,	2
Number of children accompanied to skin clinic,	
Manchester,	2
Treatments in homes,	6
Treatments in schools (first aid),	15

Twelve Mothercraft Classes were held at No. 8 School, with eight girls in the class. At the conclusion of the lessons, an examination was given and diplomas were awarded. These classes were sponsored by the Women's Club of Salem, instructed by the school nurse.

Thirty children received free milk from the Salem Lion's Club Fund, from February first until May first. The children showed very good weight gains. Children were weighed four times, during year. Records were sent home.

Seventy-three children received free milk from the Unemployment Relief Fund of Concord. Groceries and milk were also provided by the Unemployment Relief Fund, and groceries and clothing by the Lion's Club.

Notices of all defects were sent to parents.

Respectfully submitted,

HELEN W. THOMAS,

*School Nurse.*

## VITAL STATISTICS

## VITAL STATISTICS.

TO THE SELECTMEN OF SALEM: In compliance with an act of the Legislature passed at the June session, 1877, requiring "clerks of towns and cities to furnish a transcript of the records of births, marriages and deaths to the municipal officers for publication in the annual reports," I hereby submit the following:

### BIRTHS REGISTERED IN THE TOWN OF SALEM FOR THE YEAR ENDING DECEMBER 31, 1933.

Date of birth.	Name of the child (if any).	Sex.	Living or stillborn.	No. of child.	Name of father.	Maiden name of mother.	Residence of parents.	Occupation of father.	Birthplace of father.	Birthplace of mother.
